

MCC Groups for North Dakota

107 C (Exclude)	The most commonly used group. It will buy anything that can be purchased with a PO. Restricts travel, lodging, cash, entertainment, food, or liquor.
ND (Exclude)	Used to purchase most things (as in 107C) as well as airline tickets and conferences, but restricts lodging, meals, cash, entertainment, food or liquor. We encourage the use of this for airline tickets because if they are purchased online, there is no service fee.

ND104D (Exclude)	Used to purchase most things – also allows food, airline tickets, and conferences but restricts lodging, car rent, cash, and entertainment.
100 (Include)	Will purchase anything and should be used rarely. Must be justified and approved by OMB before assigning this group.
